WEB & EMAIL BANNERS

The banners can be used in your emails, bulletins, newsletters, and other communications. Make sure to place the banner as close to the top of your emails as possible. This will ensure your audience sees it as soon as they open the email. Two banner sets have been provided. One that includes the Access Perks logo and one that is ready to use as is or add your logo.

EMAIL HTML

For clients not using Access Email Marketing Services, or even those that do and want to send an extra message, you can grab the HTML to email your audience on your own. Each HTML file provides implementation instructions, an image of the email to show the design and what it should look like, all images used in the email, and the subject line and preheader.
