DIGITAL/PRINT FLIERS

Fliers can be printed, used digitally for a landing page, or added as an attachment to an email. Before using, don't forget to customize them with your program information, so your audience knows where to go to get their savings. We've provided two different fliers.

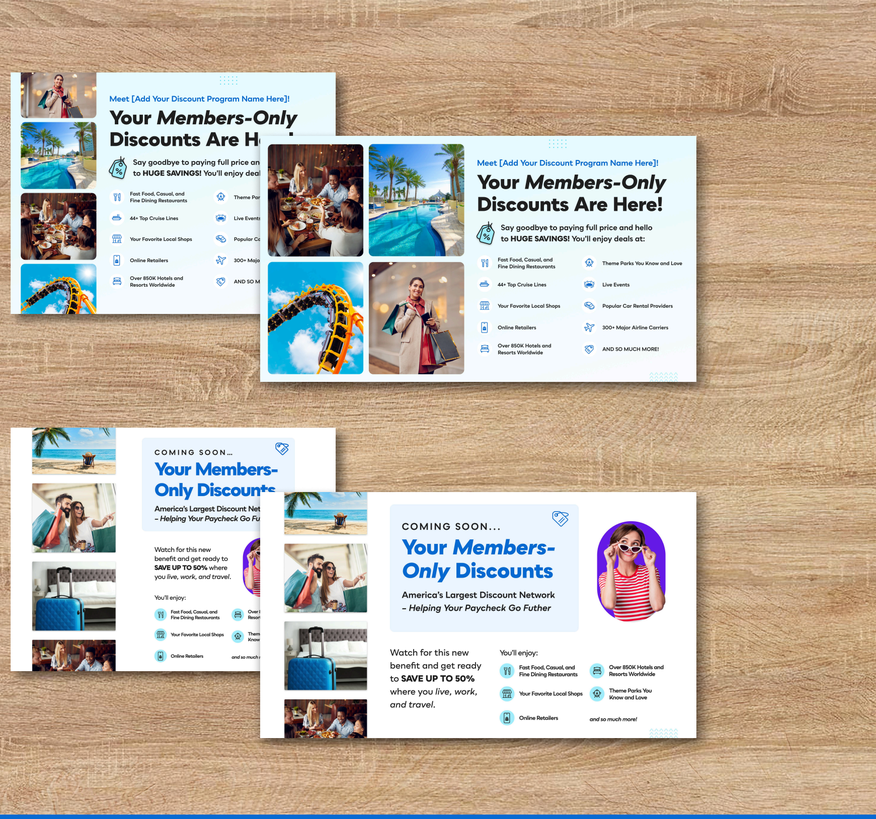

1. **Coming Soon**
   Use to promote your discount program before it launches to let your members know it's coming.

2. **Meet Your Discount Program**
   Use to promote your discount program after it launches to encourage members to sign up and save.

EMAIL HTML

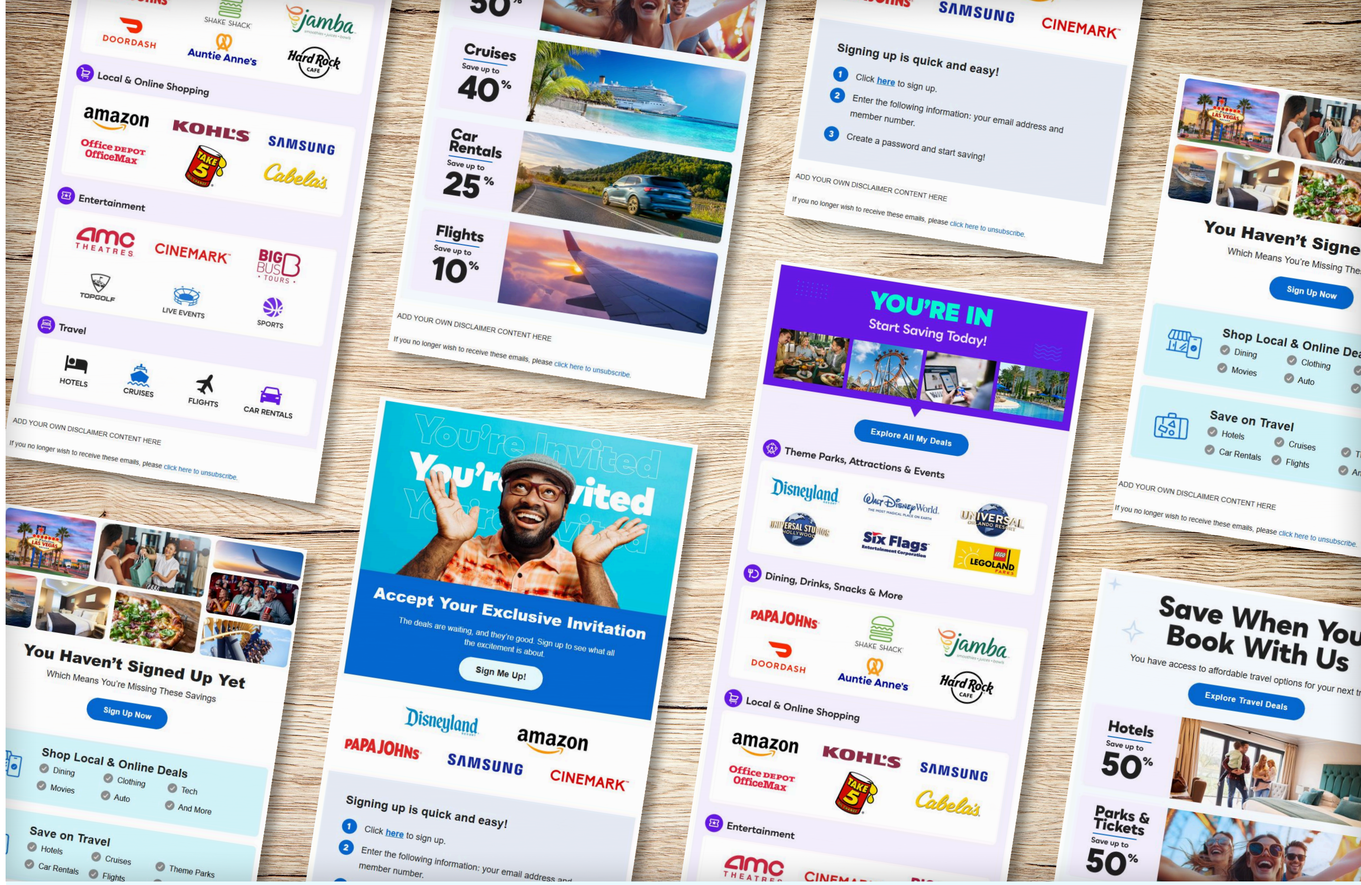

For clients not using Access Email Marketing Services, you can grab the HTML to email your audience on your own. Each HTML file provides implementation instructions, an image of the email to show the design and what it should look like, all images used in the email, and the subject line and preheader.

Generic Announcement HTML

This is a one-off email you can use as an announcement or reminder to your audience of their new member benefit.
